Looking for a unique experience that will truly put you to the test both physically and mentally?

SPIRIT OF VALENCIA OFFSHORE POWERBOAT RACING TEAM

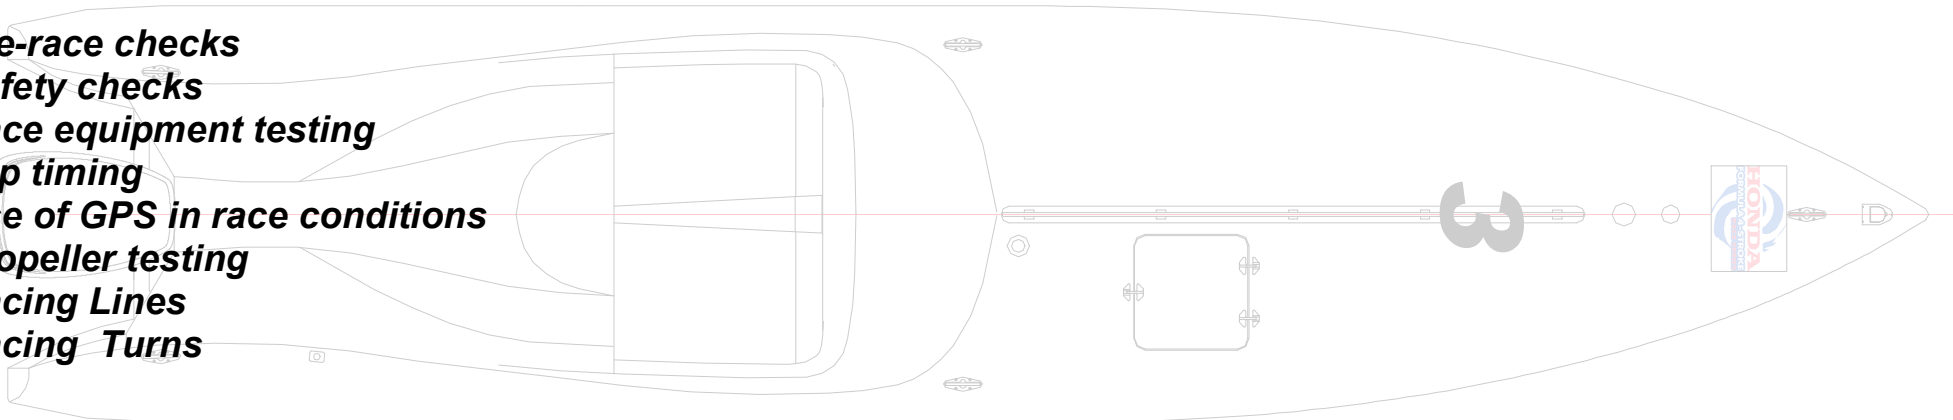

Well look no further, take part in this once in a lifetime experience with the Spirit of Valencia Offshore Powerboat Race Team.

The fortunate holder of the VIP Race Experience Day voucher will participate in the team's race training session. As part of this experience you will participate in a thrill of a lifetime with the "Spirit of Valencia Team's" new, race prepared Cougar HF4S offshore race boat, reaching speeds in the region of 70mph. Great skill and daring will be required as you take on the might of the open seas in a high speed offshore racing trial, competing to circumnavigate the course in the fastest time. (3 guests at a time with our championship driver creates the team).

With this unique, real life, one off, hands on experience, you will get an insider view of the hard work and dedication required in the world of offshore powerboat racing.

Furthermore, you will gain vast knowledge of powerboat racing from the experts which will include:

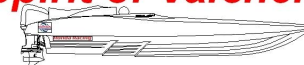

- **Pre-race checks**
- **Safety checks**
- **Race equipment testing**
- **Lap timing**
- **Use of GPS in race conditions**
- **Propeller testing**
- **Racing Lines**
- **Racing Turns**
